9. An Open Mind On All Subjects To All People

10. Complete Self Discipline

11. Wisdom To Understand People

12. Financial Security.

The way we think, we become.

**Main Topics** 

Whatever mind can concieve, it can achieve.

Burining desire TO BE is the starting point.

Things are not born out of indifference and laziness.

If you think you're beaten, you are.

If you think you dare not, you don't.

If you'd like to win, but think you can't,

It's almost for sure you won't.

If you think your losing, you've lost.

For out in the world we find,

Success begins with a person's will.

It's all in the state of mind.

If you think your outclassed, you are.

You've got to think this to rise.

You have to stay with it

In order to win the prize.

Life's battles don't always go

To the one with the better plan.

For more often than not, you will win

If only you think you can.

A man who wins is the man who thinks he can.

General Knowledge, however in quantity it may be, will not fetch success.

If you can put your ideas-knowledge into practice its useless.

Be nice and present a nice face to all. Keep in touch with aquaintances.

Even if people are not nice to you, be nice to them. Don't go out of the way to help them, just keep workable association.

Get facts and opinions from others but think on your own.

Never disclose your plans. Keep your ears and eyes open but mouth shut.

Worry is state of mind based on fear. Step by step it digs in and destroys self confidence and reasoning. Its a state of mind whichcan be controlled. Kill the habit of worry in al its forms.

If you fail to control your mind its almost certain that you can not control anything else.
